For each protected and mandatory teaching activity no more than 4 absences above the allotted missed days will be accepted, regrets must be sent before the presentation in order for the absences to be legitimate.

For exceptional circumstances such as family emergency written notice is required and in the case of medical emergency a physicians note before or after the date.

A sign in sheet will mark attendance; it is the responsibility of the residents to ensure this sheet is sent to Dr. Latchman in the 1 S area (PICU offices).

Meeting attendance requirements for Thursday sessions and academic half day in first to 3rd year will result in a total of two off call months granted. If attendance is not met, a single call free month will be granted per year.

Failure to meet attendance requirements for Thursday sessions and academic half day in 4th year will be noted in letters from the program director requested by references for future employment.
